Waheguru Ji Ka Khalsa, Waheguru Ji Ki Fateh

Dear Sadh Sangat Ji,

1. Talk on Cancer Risks by Kulwant Singh Dhaliwal

S. Kulwant Singh, Global Ambassador of the Charity 'World Cancer Care' was invited by the Management Committee to give a health talk at the Dardar Sahib on Sunday, 1st September 2024. He spoke of various aspects of Cancer and precautionary measures that could be taken to avoid and/or mitigate their risk of the disease by maintaining a healthy mind and body. The talk was very well received based on feedback from Sangat. The MC will continue to invite more such speakers to cover various topics of interest to the Sangat.

2. Installation of New Ceiling Fans

As part of the ongoing GSY Upgrading Program, all old existing ceiling fans in the Langar Hall, Reception Lobby and Darbar Sahib Lobby have been replaced by 7 new large sized fans. These modern technology fans not only provide better air circulation for comfort of the Sangat at the non-airconditioned areas but are also effective energy saving fans and hence help towards reduction in electricity costs.

4. Children's Programs

The monthly Children's program was held on Saturday, 21st September 2024. The September month's program was special as, in addition to the normal program of having Rehras Paath and Kirtan, a special Gatka training session was arranged by the organisers of the program. It was very well executed where the Trainers oversaw the training with proper safety measures in place to prevent injuries to the children. Please see related photos below.

The GSY Management Committee commends the organisers for their wholehearted commitment towards the children and expresses its gratitude towards the parents for devoting time out of their busy schedule to bring the children to Gurdwara Sahib for such activities. The MC will, on its part, continue to extend its full support towards such activities.

5. Dry Provision Donations

The Management Committee of Gurdwara Sahib Yishun thanks all the donors who have been actively contributing dry rations every month. May Waheguru Ji bless them and fulfil their wishes.

As Sangat is fully aware, there is always a constant need for such donations, and it is hoped that more members of the Sangat will come forward and partake in this blessed Sewa.
