Dear Sadh Sangat Ji,

Waheguru Ji Ka Khalsa, Waheguru Ji Ki Fateh

1. Updates on Recent Events (March)

Health Screening Initiative

A voluntary health screening was conducted on 15 March by the staff of **Buzud**, a medical manufacturer specializing in reimagined healthcare technology devices. The initiative focused on basic diagnostic tests aimed at providing early warnings for common health concerns such as high blood pressure, blood sugar levels, and body mass index.

Approximately 70–80 participants took part in the screening. The Management Committee (MC) received very encouraging and positive feedback for organizing this event.

The MC places on record its sincere appreciation for Phenji's team—Nareen, Satran, Rani, Amrit, Amar, and Kowsula—for their valuable support in assisting the Buzud staff and ensuring the success of the event.
